

Mo

In 2050, a little boy holding a meteorite fell from the sky, and his name was Mo.

He had no idea where he was, but he wanted to go back to his planet.

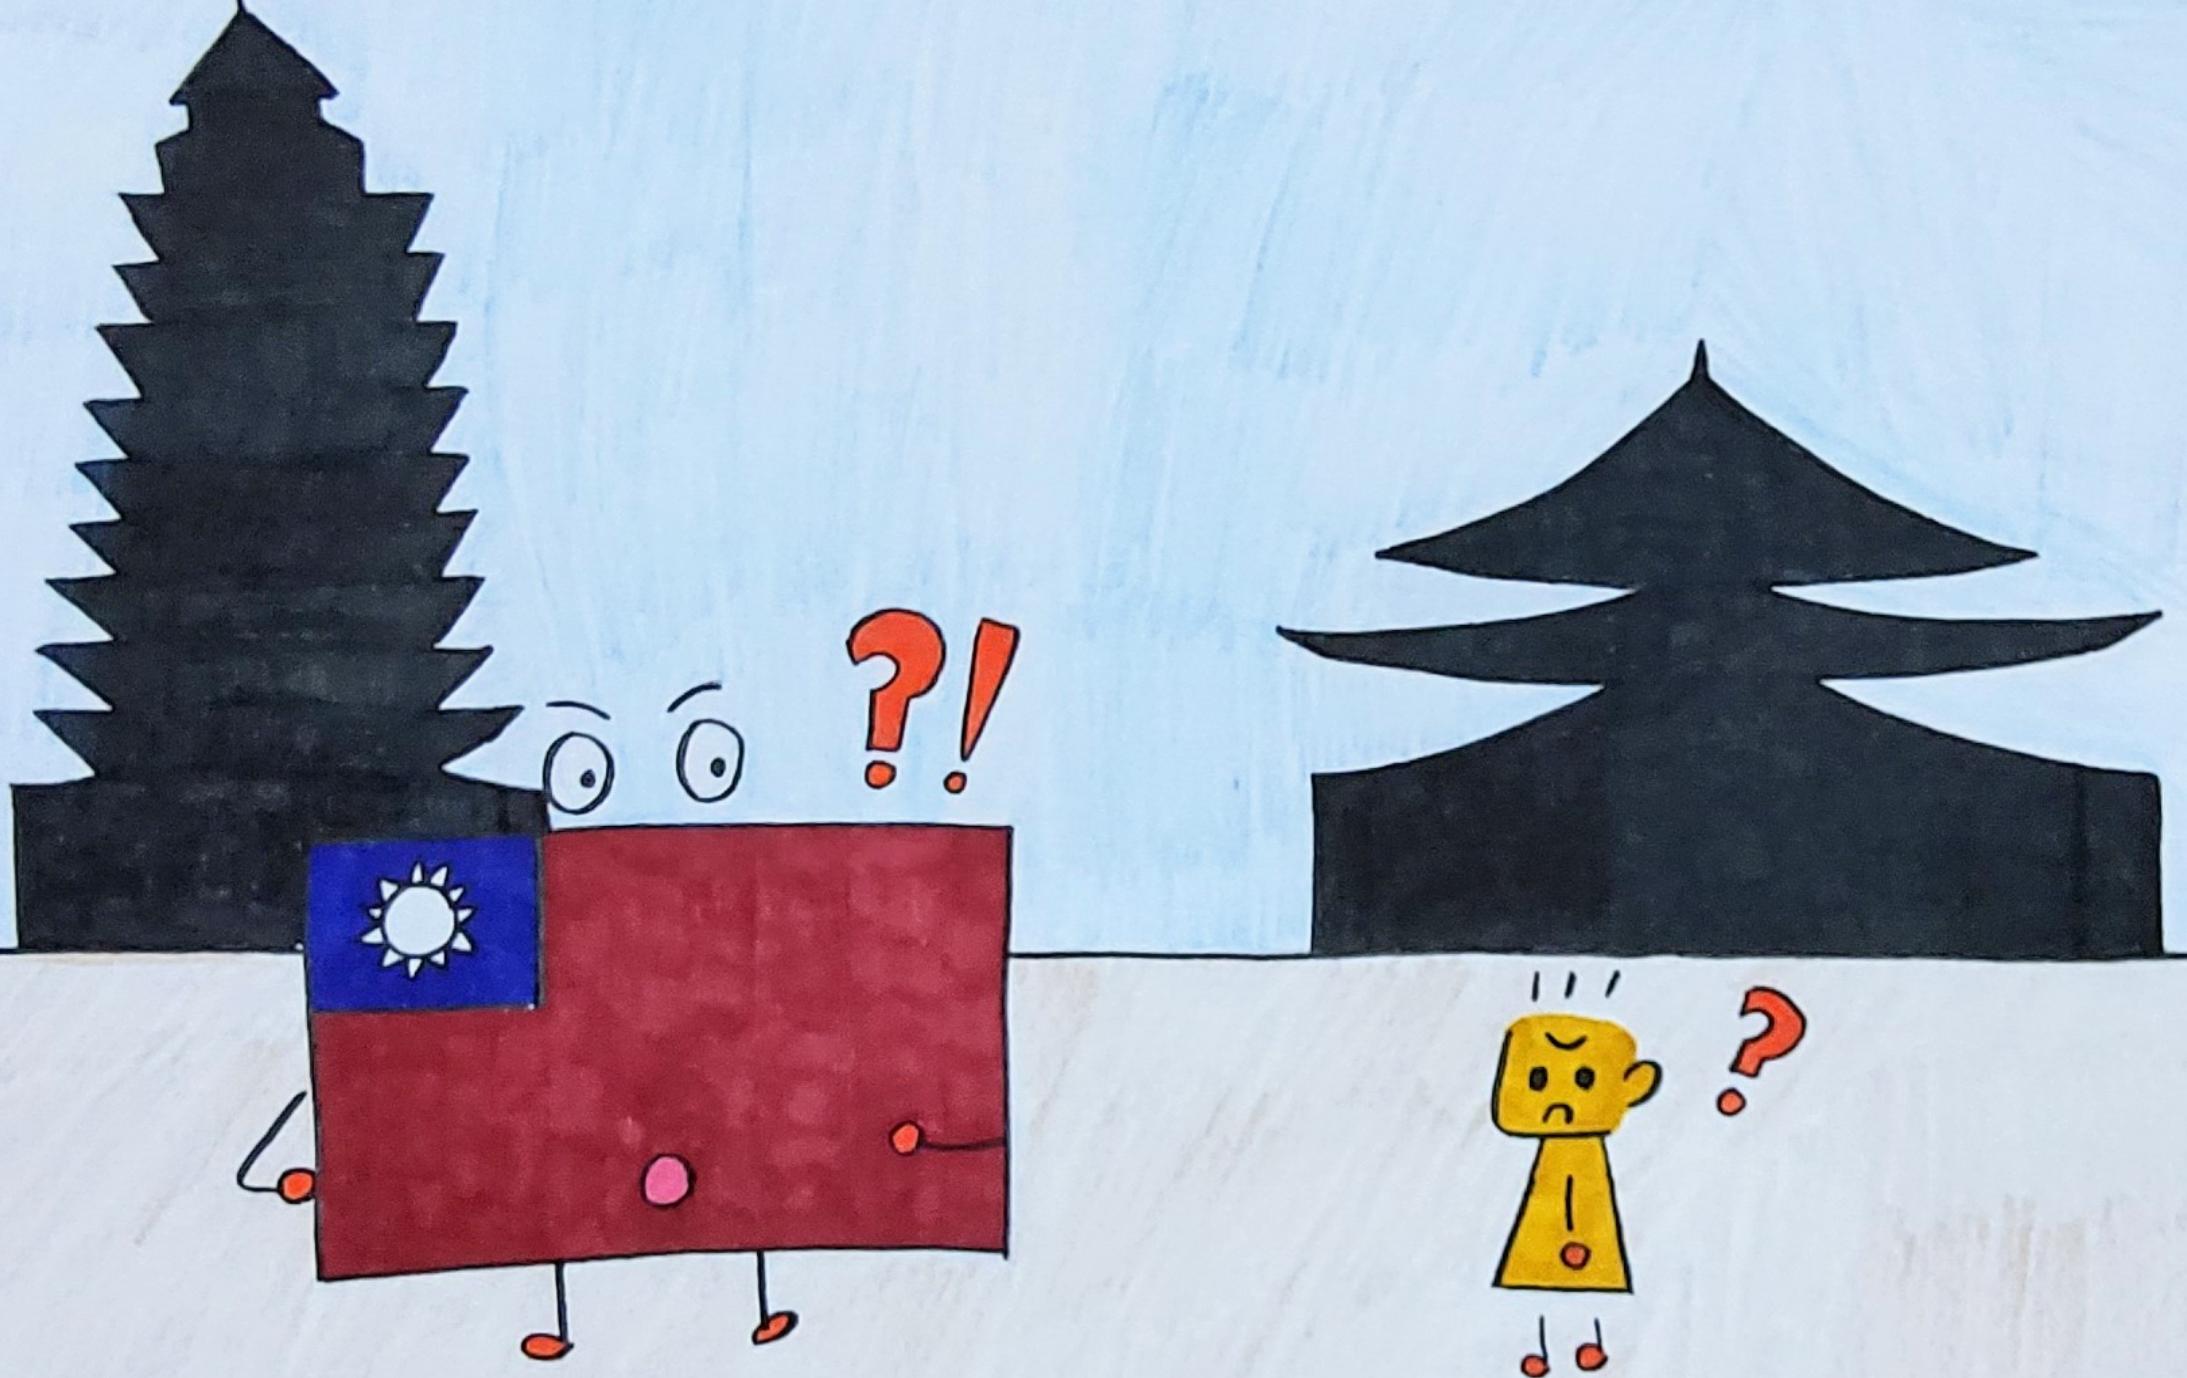

Then, he met a flagman.

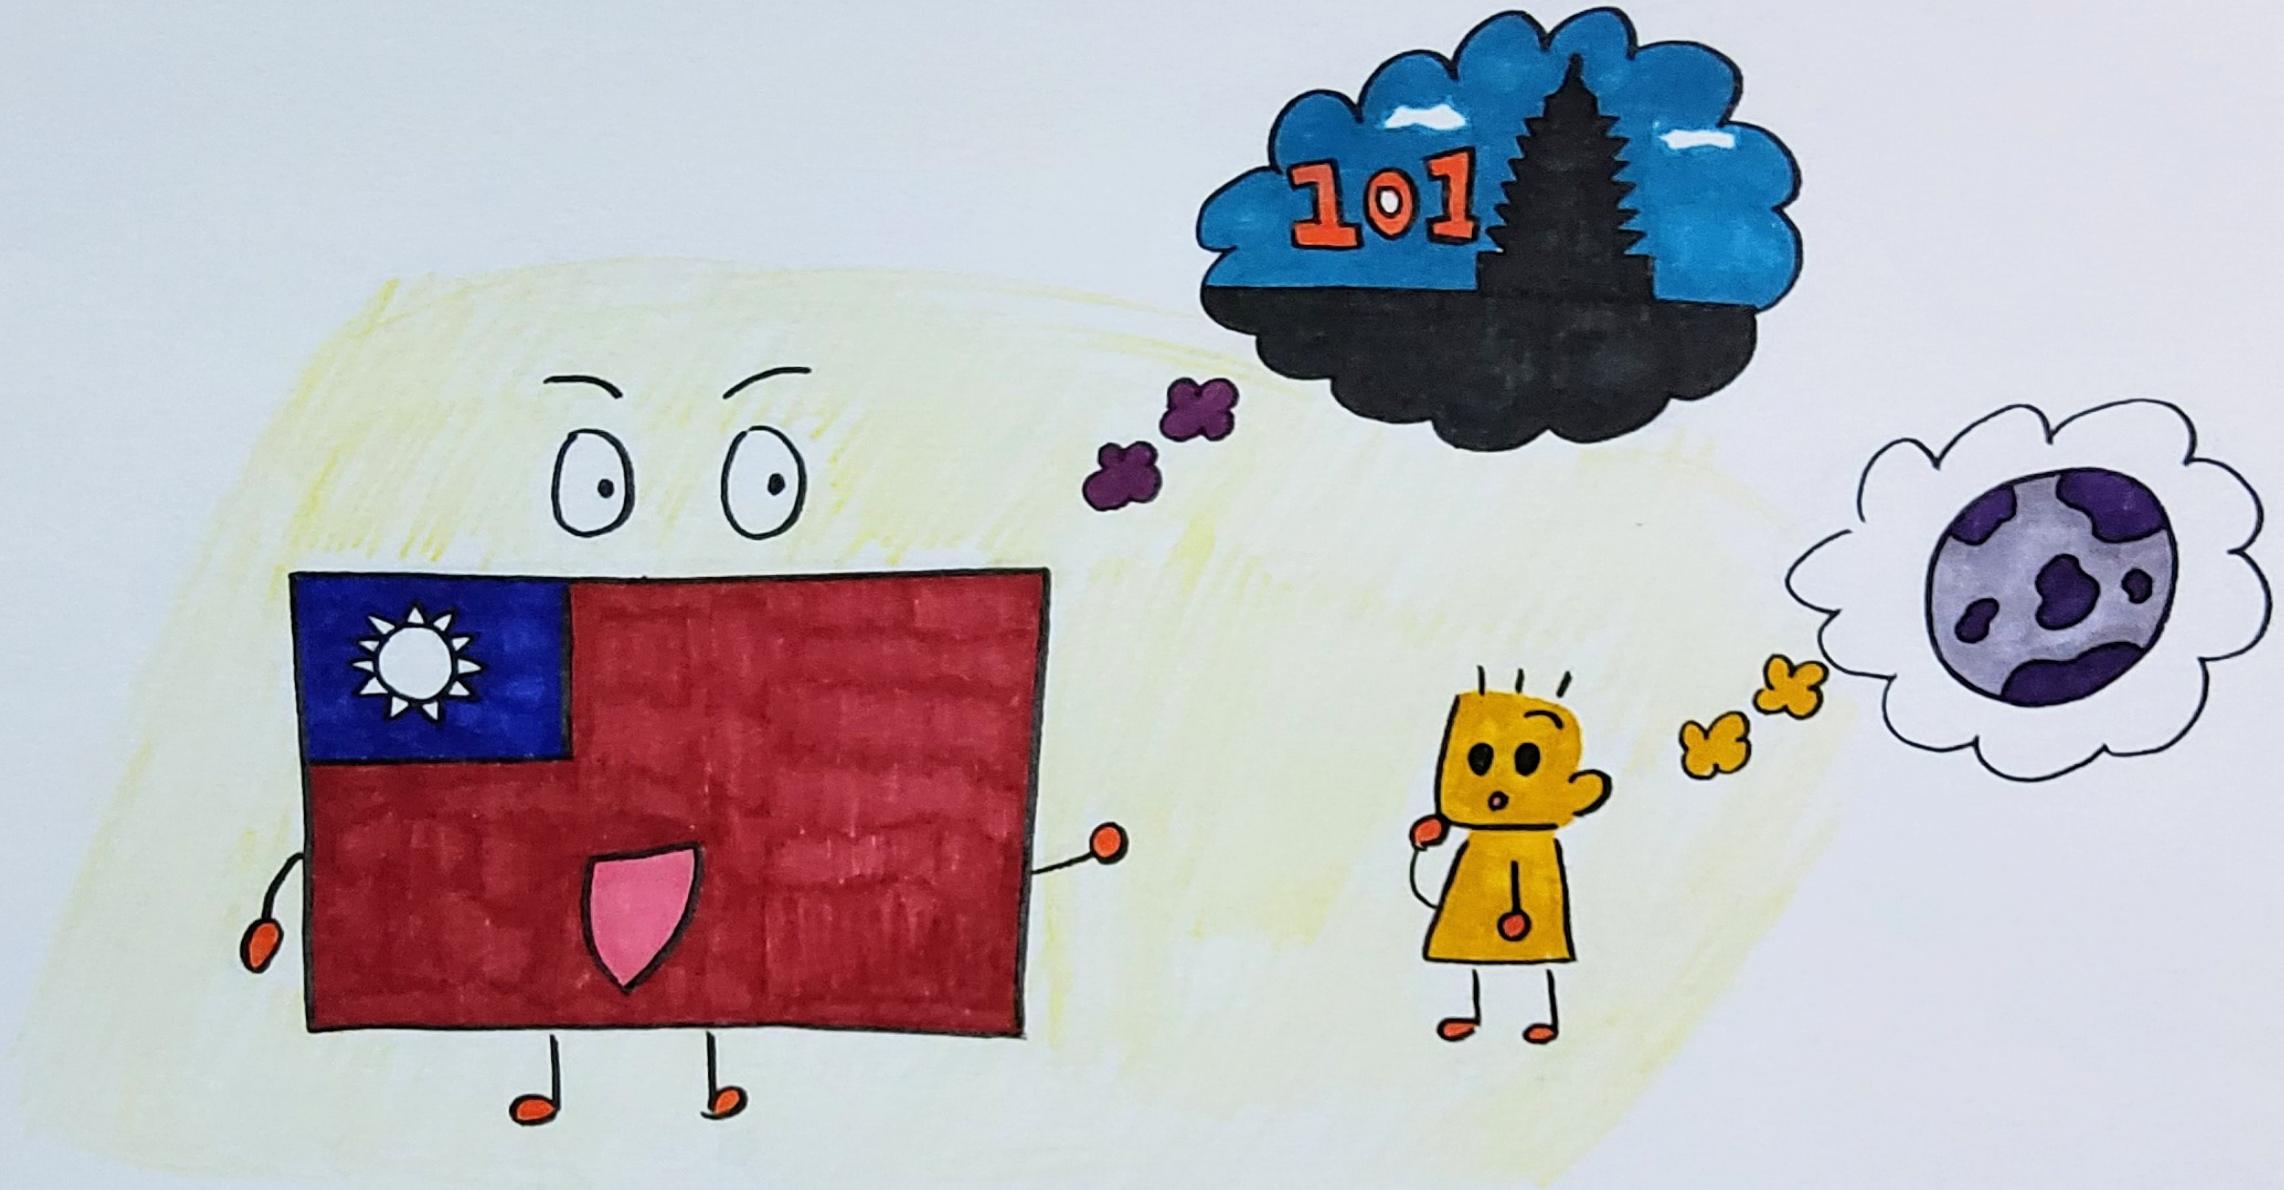

在2050年時，有一位抱著隕石的小男孩從天上掉了下來。

他的名字叫做三毛。

他不知道自己在哪裡，但是他想回到自己的星球。

這時，他遇見了國旗人。

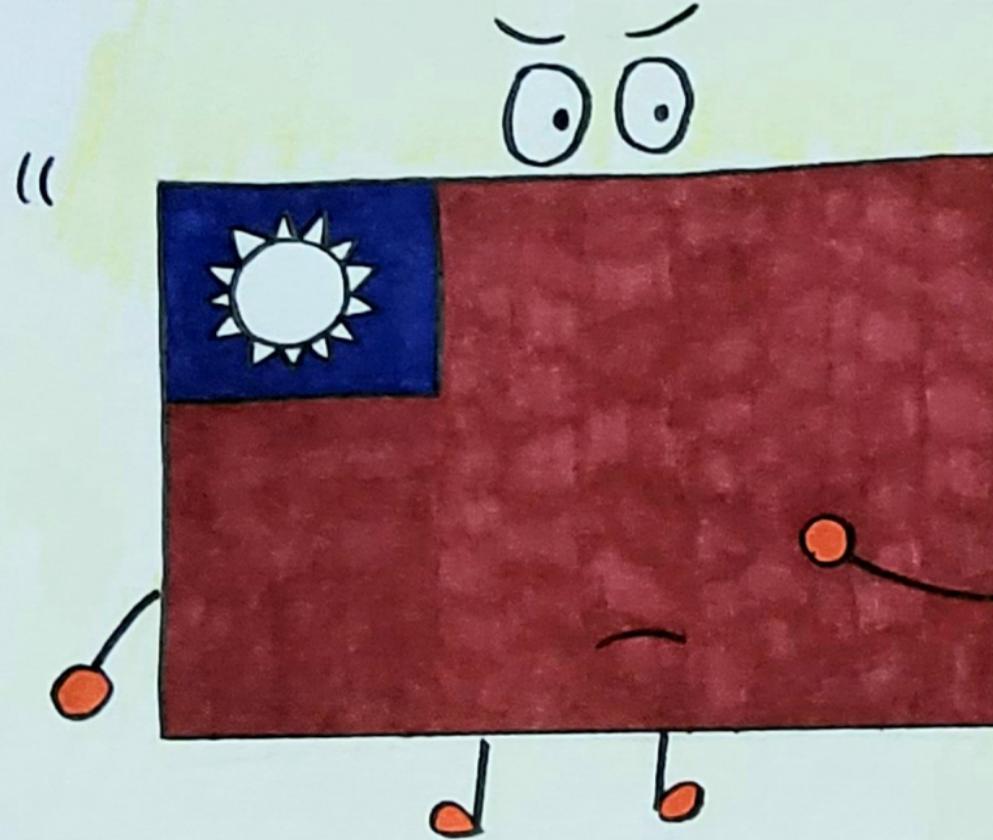

“Hello! May I know who you are and where I am?” Mo asked him.
The flagman said, “NiHao, I am a Taiwan flagman, and here is Taiwan! Who are you?”

「哈囉！我是否能知道你是誰？還有我在哪裡呢？」三毛問。
國旗人回答說：「你好，我是台灣的國旗人。這裡是台灣！你是誰呢？」

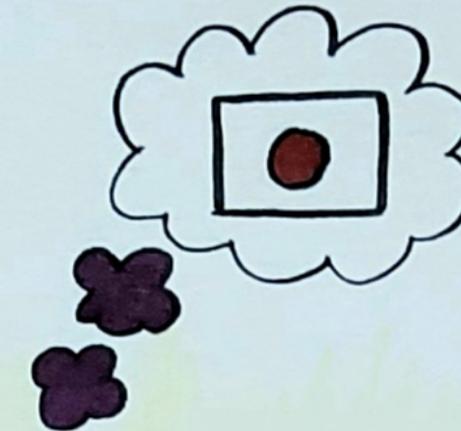

“I’m Mo, coming from star planet. Could I get back from here?” Mo answered.
「我叫三毛，來自另一個星球。我可以從這裡離開嗎？」三毛回答道。

The flagman shook his head and said,"No, here is Taiwan. But I can take you to another country. Maybe you can ask people there."

國旗人搖搖頭說：「不行，這裡是台灣。但是我可以帶你去其他國家。或許你可以問那裡的人。」

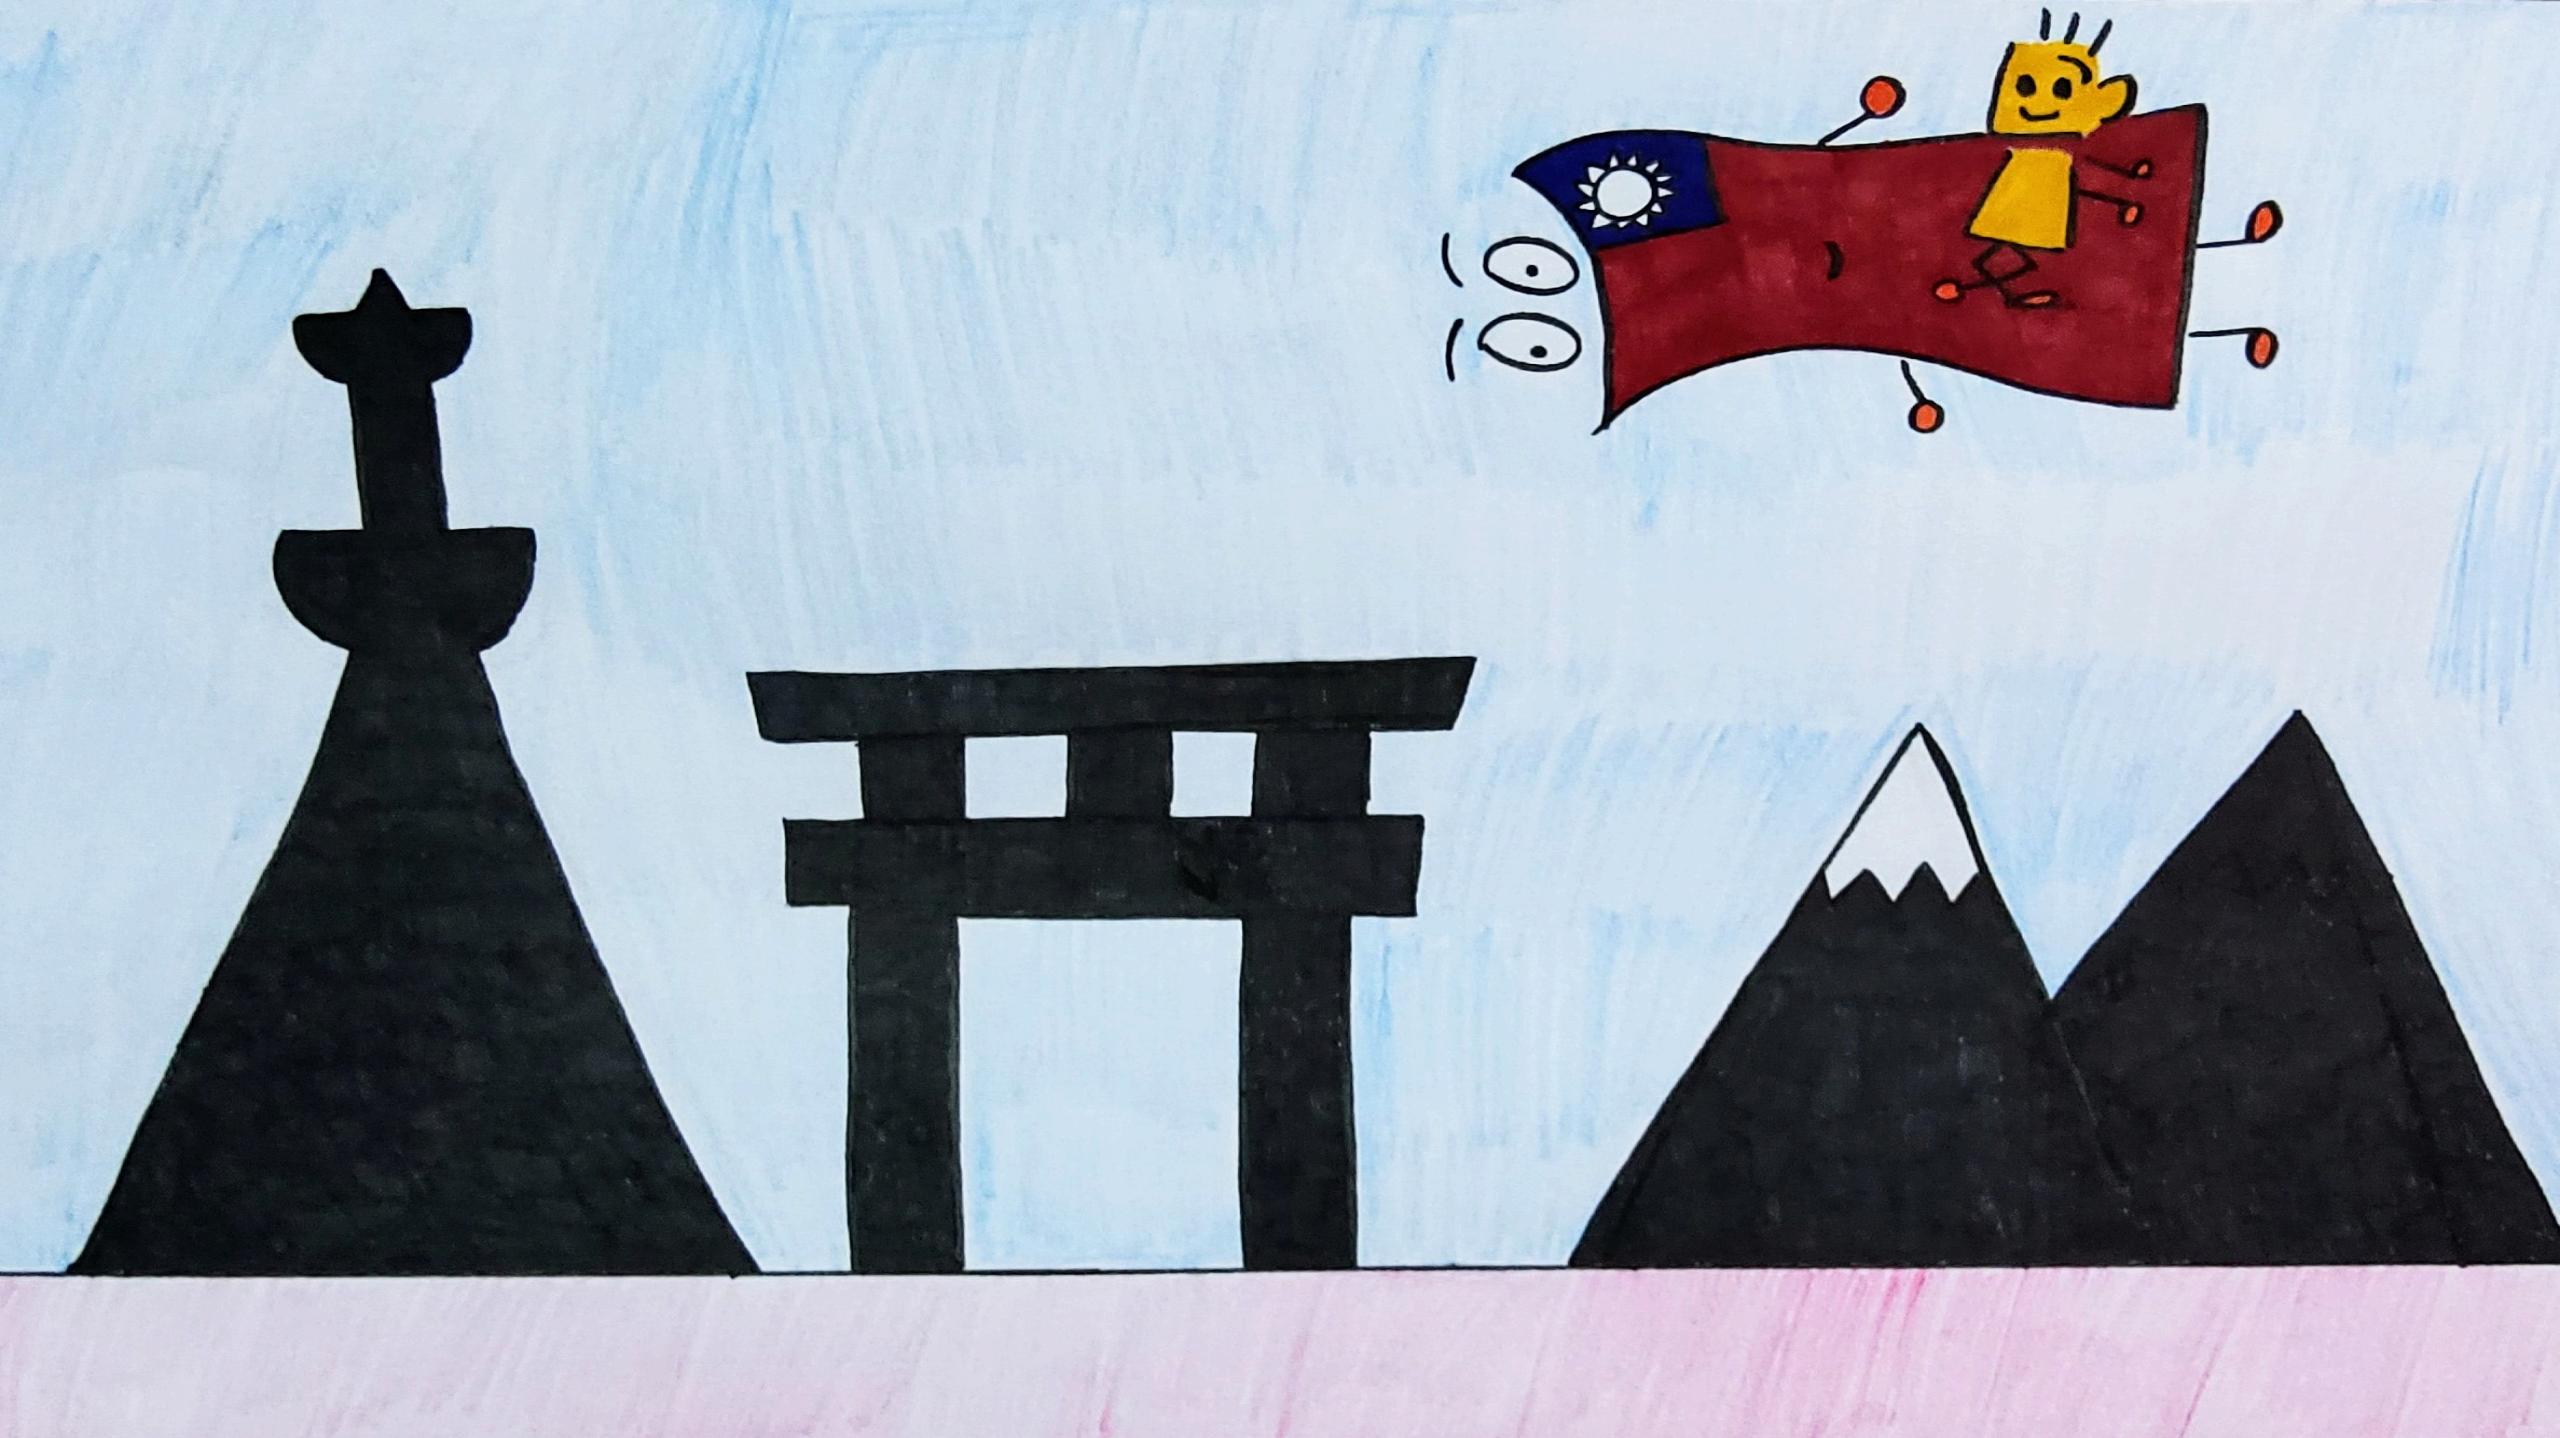

Mo nodded his head and agreed with what the flagman said.

三毛點了點頭，同意了國旗人說的話。

Then the flagman turned into a flying carpet, and Mo sat on the flagman and they flew in the sky and went to the next country.

然後國旗人變成了魔毯，三毛坐了上去。

於是他們飛上天空去了下一個國家。
